Secretary's Report

Welcome to our AGM tonight and thank you for the time taken to attend. It has been a busy year within the club both on and off the field.

On the playing side in 2013 I would like to thank all our players and mentors for their efforts in training and representing the club during the year. We were not successful in delivering silverware at the time of writing the report but the Senior Football team are in a top 4 playoff semi-final (Vs. Ballinteer St Johns) and are also qualified for the Senior B Championship semi-final where they are fixed to play Lucan Sarsfields. The Junior Hurlers are in a league promotion playoff final (vs. St Sylvesters) to get promoted to Division 5. The Minor Hurlers have reached the C Championship final where they will play Na Fianna on Dec 1st. Elsewhere on the playing fields we lost four championship semi-finals namely Junior Hurling, Senior Camoige, Minor Football and Minor Ladies Football.

The GAA calendar has been the subject of much comment over the years and we have first-hand experience of it this year with a backlog of games being squeezed in as we head into December. The inter-county schedule is the priority and the approach seems to be that clubs can fit in around it and whatever way the fixtures fall so be it. It is no way to treat the grass roots and is particularly unfair on the Club player who is expected to be available twelve months of the year. The solution has to lie in a combination of shortening the inter-county season and getting more games played in the Summer time before we do irreparable damage to the club scene.

In last year's report I wrote about the need to fill the Adult Games Chairman position which was vacant throughout 2012. Unfortunately it has also remained vacant throughout 2013 and is a deficit for the club. The role is important in managing the playing side of the adult section but is also crucial in being the main contact point with the management of our teams. This has to be rectified in 2014. On a related point there have been a number of instances where there has been conflicts with the prioritisation of Football and Hurling with regards to dual players and the club has at all times worked from a principle that we are a dual club. There are a number of recommendations on this issue on the Agenda tonight and I look forward to a constructive debate.

It has to be said that 2013 has been a year of frustration for the executive of the club with regard to the development of our facilities. At last year's meeting we were optimistic that we would get the project off the ground and this was further enhanced with the news pre-Christmas 2012 that our grant application had received approval subject to a number of conditions. However during the last 12 months we have had to deal with significant legal and administrative effort to comply with the requirements of the Chief State Solicitors Office around title and charges against the Clubs assets. It is our sincere hope that we can finally move the project forward in 2014. A detailed report is completed under the planning and development heading.

At juvenile level we had a very successful year and this is well documented in Chris's report. I would also like to commend the work completed by the Juvenile Section on Player development in all 4 codes completed during the year.

On the following pages the reports of the various sub committees and teams are included for your review

Adult Games Committee Report

Senior Football

Management: Charlie Redmond, Paul Donnelly, and Terry McGinnis

We had a poor start to season winning only one of our first four games and then a defeat to UCD in Dublin senior championship. We leaked two goals at end of the first half in that game which we never recovered from but over all played well. Two wins and a draw followed which put us back in running for promotion but defeat to St. Pats Donabate set us back. We then won five in a row to push us way up the table. We lost to Ballinteer St Johns but beat Erin's isle to put us in the playoffs to go to division 1. We play Ballinteer St .Johns away in the semi-final of the playoffs and it is currently fixed for December 4th.

In the championship after losing to UCD we played St Pats of Palmerstown in the Senior B championship winning by nine points to set up a tie with St Anne's and in good contest we came out winners by one point. We now play Lucan Sarsfields in the semi-final in the next couple of weeks. We like to thank the players for their effort and commitment during the year and the club who supported us and answer any need we had. Thank you.

Junior Football

Management: Ger Dillon & Paddy Ellis

After finishing 4th in AFL6 in both 2011 & 2012 & with the re-introduction of the playoff's for 2013 hopes were high that we could challenge for promotion. However on completion of our 15 game league programme we finished in 8th place with a record of won 6, drawn 2 & lost 7. While we could point to early season losses it was our record of 2 draws & 3 defeats in the final 5 games of the campaign, 4 of which were against promotion challengers, which ultimately defined our season.

We used the Stacey Cup to give players who were not getting a game in the league some time on the pitch & to try players out in different positions. Unfortunately this experimentation resulted in 4 defeats from 5 games.

Once again we competed in the Junior 'B' Championship & were drawn home to St Mary's who were operating in AFL7. Following a physical encounter, we grinded out a 2-11 to 1-10 win which set up a last 16 clash with St Oliver Plunketts ER in Skerries. Despite missing 7 of the starting 15 from the previous round this was a game we kicked away as we lost out 1-10 to 1-8.

Over the course of the season 39 different players were used & from memory we were not in a position to field the same team in two consecutive games. There are of a course a number of reasons for this such as work or family commitments, exams, students travelling for the summer & players moving up to the Senior team. However until such a time as the panel is more consistent on a week to week basis for both training & matches it will be difficult for the Junior team to be successful.

Thanks to Tom Connolly, James Dillon & Colin Clinton who took training sessions during the season as well as playing for the team, Alan Moore & Paul Wilde who assisted us during the

year at various games & the Senior Management who on numerous occasions integrated players into their sessions when we had insufficient numbers to conduct our own session.

U21 Football Championship

Management: Mick Hickey, Peter Smith and Terry McGinnis

We had high hopes for a very talented group who competed in the U21 A championship. They were successful in the first round against St Judes when after a high quality game in Skerries we came out on top by one point 1-8 to 1-7. We were drawn in the quarter final away to Ballinteer and unfortunately came up short when we lost by three points.

Minor Football

Management: Mick Hickey, Peter Smith, John Rice, Paul Murray

A season that promised so much ended in a disappointing way for our minor footballers when they suffered a comprehensive defeat to Naomh Fionnbarra in their championship semi-final played on the 3rd on November in John Paul Park.

However many positives can be taken from the year which started on the first weekend of March. A home defeat to Thomas Davis followed by a 1 point loss to St Brigids was not seen as an ideal start but these defeats were later to be put in perspective as these teams would finish first and second in the league. Harps regrouped and would finish the season mid table with four wins out of eight the highlights being two high class performances against St Judes and Ballinteer St Johns. Following the summer break for exams the championship began on September 8th with Harps playing their first group match at home against St Davids. A really good performance on the day resulted in an easy victory for the home side which was followed two weeks later by an equally good win away to Erins Isle. This left us and Na Fianna with two wins each and a match to decide who would get the all-important home fixture for the quarter finals. This game was played in Collintown Lane and it proved to be the best performance the Harps boys would produce for the season. A powerful start gave Skerries an early five point lead and with high quality football throughout the home side was kept at bay resulting in a final score of 1-16 to 1-9 to the Harps.

A large home crowd saw the Harps survive a spirited come back from Whitehall Colmcilles in the quarter final. The home side had led by seven points at half time and just held on to win by one point at the final whistle to reach the semi-finals.

A toss of a coin would decide the venue for the semi -final and unfortunately Harps lost out and had to travel away for this big game. Although preparations were good and expectations were high the Harps boys failed to produce a performance anyway near their capabilities on the day and Naomh Fionnbarra deservedly ran out easy winners on a score line of 2-11 to 0-5. The commitment that this group gave throughout the year was tremendous and with half of this panel still eligible for Minor next year and a very good U16 group coming through prospects look good for the future and it is hoped that all our other players from this year will go on play adult football for the club.

Junior Hurling

Management: MJ Geoghegan; Ger O' Mahony; Liam Staunton & Greg Baker.

Our objective at the start of this season was to gain promotion to division 5. With a play-off final still to be played this ambition is still alive.

Our results in the league to date were slightly down on last year with a point's total of 14 (6 wins, 3 Losses & 2 draws) which meant we finished third in the league, the same as last year.

With a change in the format for promotion we qualified for a play-off semi-final where we received a walkover. We now await the winners of the other semi-final, Faughs or St. Sylvester's (at time of writing).

Promotion to division 5 would represent a steady progression through the leagues since we started seven years ago on the lowest rung of the ladder.

The 2013 championship saw us entered in JHC D. For the second years in a row we reached the Semi-finals only to be beaten this time by a determined Castleknock outfit that held on to beat us by a point.

As adult hurling is now up and running seven years in the club it is important to acknowledge we are now a dual code club and to continue to develop as a club it is critical to recognise the contribution of the dual player to this reality and progress.

As part of this recognition it is critical for the clubs continued progression and development that both codes are supported in an equal way particularly when you look at how both codes are developing at juvenile level where hurling in particular is thriving.

There is a very clear appetite amongst many players to compete at both codes it is therefore incumbent on the club to put in place a clear policy and set of guidelines to manage player welfare and ensure the club makes the optimal progress in both codes. This policy needs to be progressive, all-encompassing and take full account of the bigger club picture and the stated agenda of the club to develop both codes so we can compete at the very highest level in Dublin.

The management team were delighted this year to welcome Greg Baker to the team. Greg brings vast experience with him having coached in the Garda College in Templemore and having won an all-Ireland club medal himself. Greg has added many fresh ideas to training and new tactics to our gameplay.

It is with regret however that MJ, Ger, and Liam have announced their intention to step down at the end of this year's campaign. Seven years has been a long time at the helm and a fresh approach may be just what the players need to take them and the team to the next level. The management team acknowledges the support and help from the club to date and hope that with a progressive dual code policy difficulties that have been encountered with respect to player and facilities management will be ironed out to enable the incoming management team take adult hurling within club to the next level. The outgoing management team will also work to make the transition as smooth as possible between the old and new.

Finally the outgoing team would like to thank everyone who has helped make Skerries Harps adult hurlers such a success to date. From Paula Geoghegan who takes great care of the jerseys to Joan Ward who has done the stats for the last three years and applied some band aids too, to the ever present parents and supporters who double up as transport executives, umpires and lines people whenever asked. To Paul Graham and his first aid kit and the couple of spare sticks, to the two Dennis' for all their experience and support also to John Murray and John Shorten who helped out over the years. Finally a mention for our loyal

sponsor John Nealon and the seventy odd players who have had the privilege of wearing the “Blue Bar” blue and white jerseys of Skerries Harps adult hurling team.

Minor Hurling

Mentors: David Horan, Paul Graham, Jose Azzopardi

With a squad of about 20 players including a number of Under 16’s this year’s Minor hurling team played in division 3.

The league was to prove challenging for the squad as numbers were not guaranteed each week and a number of games were played with the bare minimum of 13 players. However the team fared well in the division overall with 4 wins, 2 draws and 5 losses, in each of the losses the team never gave up and kept playing to the end. Due to the expected struggles with numbers for the league the squad focused on the championship and used the league to improve and develop as a team in preparation for the championship.

The team was graded in the C Championship and drawn against Rialto Gaels, Naomh Barrog and Ballyboden St Enda’s for the group stages. The team came out of the group stages unbeaten with two convincing victories and a draw with Ballyboden. In the Quarter Finals, the team was drawn against Swords Gaels, an amalgamation of St Finians and Fingallians. In a hard fought game in bad conditions the team showed great determination and resilience to hold on for the win. In the Semi Finals the team was drawn against Ballyboden St Enda’s for the second time in the championship. This match proved to be as tight as their first meeting, however the teams determination and hunger pushed them over the line after Ballyboden equalised in the last minute they found the strength and opportunity to score a last second goal to win the game.

The County Final will be against Na Fianna and is fixed for O’Toole Park on Dec 1st.

We would like to thank the club and the player’s parents for their continued support throughout the season and into the championship final.

Senior Camogie

Mentors: Bernie O’Flaherty, Denis Murphy

The Harps Senior Camogie team had a satisfactory year but unfortunately it could be summed up as a “so-near and yet so-far year”. Playing for the first time in the Leinster Division 2 League the team gained great experience in playing teams from Kilkenny, Offaly and Westmeath. Coming through the group stages unbeaten the highlight was the trip to Kilkenny where the girls, playing O’Loughlins in St. Kierans famous hurling nursery, came away with a good victory. A home semi-final win by seven points against St. Munnas from Westmeath left them with a final fixture against another Westmeath club, Lough Lene Gaels. The greater experience of the Westmeath team, playing in their second final, told on the day and Skerries went down on a score line of 3-6 to 0-8.

The Senior League campaign began with two hard-fought draws against old rivals St. Brigids and Ballinteer. The key league game for this team this season was against Na Fianna. Totally

dominant in the first half and holding a seven point lead at half-time they allowed Na fianna back into the game and ended up coming short by two points. Despite two victories from the final three games we were pipped for last spot in the top-four semi-finals.

The Championship campaign featured some excellent group game displays by the Skerries girls and they were the only team with a 100% record at the end of the group stages. The highlight of those games was an excellent victory against Senior A league team, St. Oliver Plunketts. The team faced Ballinteer St. Johns in the semi-final and with a draw and a one-point victory in their previous two games this season it was always going to be tight. Hitting eleven wides, missing two clear goal chances and conceding an easy goal gave Ballinteer the opportunity to gain an elusive win, and that they did, by one point. It was a disappointing end to a promising season for the Harps who then saw Plunketts go on to win the title.

On the Inter- county scene pride of place goes to goalkeeper Aishling Spillane who was on the Dublin Junior Team who won their National Junior championship title and to Eve Kehoe who won the Leinster Minor A title playing at centre-field.

Ladies Minor Football

Mentors: Paul Donnell, Caroline Gormley, Joan Kehoe

We started the Minor year with a very disconnected team as our existing Under 16 team of thirteen players were joined by six additional older players who had not played football in over a year.

It took a number of months for the girls to gel as a Team so we had a slow start to the 2013 League competition.

Through the management and coaching skills brought to the team by Paul Donnelly, the Ladies Minor Team improved in the League competition with memorable performances, in particular, against Foxrock Cabinteely, who went on to win the competition.

The Minor Team also finished the Championship competition at the Semi Final stage with a strong performance, but lost to Clanna Gael Fontenoy.

All members of the team are now looking forward to the start of the 2014 season.

Planning and Development Committee Report

The Department of Transport Tourism and Sport have given Provisional Approval for a Grant to Skerries Harps . The Grant amount sought is €550k and the initial indications are positive that the full amount will be granted but the amount and final approval will not be confirmed until the Chief States Solicitors Office confirms that a legal charge is in place to protect the states interest. This grant cannot be drawn down until a legal charge is in place which will cover

- Dublin Road
- Milverton
- Main Pitch

The Harps solicitor Shane Dowling has been working with the Chief States Solicitors Office to put this in place which includes

- **Confirmation that Legal Title is available and all lands in ownership and leased are correctly registered with the Property Registration Authority (PRA) – Confirmation of this has now been received from the PRA**
- **Consent of the De La Salle Brothers to Lien/charge on the pitch lease – This has now been received following a protracted legal process**
- **That all Title is registered in line with the GAA and Club constitution and undertakings in place by the club to accept the conditions of the legal charge– Complete**
- **AIB consent to the charge over Milverton lands – In process**

It is anticipated that the above will be finalised by year end and that the grant will be made available to draw down

Following a tender process a Building Contractor has been selected who is acceptable to the OPW who administer state grants. The Contractor selected has all of the appropriate insurances, performance bonds and Health & Safety requirements in place and would be in a position to commence works from 4 weeks of receipt of instruction.

Pending completion of the legal items with the Chief States Solicitors Office and on the basis that the full amount is granted the last remaining item which must be addressed to allow construction to commence is Funding

Bar and Clubhouse Report

Our Bar and Clubhouse activities for 2013 concluded at the end of August and it is time to reflect on another busy year in this part of our club. Paying our way and contributing vital funds to assist the club move forward is as always the target setting out.

With the Dubs winning SAM and a couple of big championship wins last year's figures showed a healthy return. Unfortunately SAM's return this year and the great day we had inside and outside in the Marquee came too late but will appear in next year returns.

While the doors are open at every opportunity possible, and in doing so we have had many a great day in the club again this year e.g. The Dubs, St Patrick's Day, all types of parties etc. We still long for the day when we can cater for the really big occasions which requires that bit of extra space. To this end we still await the commencement of our new clubhouse. The frustrations from everyone in the club are there for all to see. We are now growing at a rapid speed and it is vital to bring the building to a conclusion. The benefits for all would be fantastic.

Although a busy, demanding and a time consuming job at this end of the club I do it because I enjoy it because of the people who support me week in week out. Spending an hour or two after a game won or lost or discussing local events is something not to be missed.

To Niall and the executive who always support me in whatever adventure I take and to all who availed of enjoyed the Harps experience.

Many thanks
Pat Dwyer.

Board Delegates

Ladies Football – Eddie McCarthy
Camogie – Terry Gormley

Thanks to you all for your hard work and commitment on our behalf.

Club Registrar Report

We currently have 345 full members and 497 juveniles. These figures are slightly up on last year.

We have had our first full membership year of online payments with 34% of juveniles and 36% of adults choosing to pay their fees through this method.

After 15 years in the position I feel it is now time to step down. I would like to thank all the various committees and mentors I worked with over the years and wish all the best of luck in the future.

Press and PRO

2013 , another very busy for the club, with many positive highlights for the club, including the Supervalu Bag Pack, the Solo run to mention just two events, which has been a great success and will continue to grow. It is not only a financial success but superb PR for the Harps throughout the town. Being awarded Juvenile Hurling Club of the year by FODH was also a huge plus to the club's standing in the county.

The exploits of Bryan Cullen helping Dublin to the All-Ireland Football title, and the various other players from the club already mentioned in these reports have encouraged young

players and helped the club's position as the biggest in the Town. Hopefully this coming year will see new facilities for our club.

I would like to Thank Fergal and Rory from the Fingal Indo, David and Emily from Skerries News, the SCA and Cafe Time for their continued help in publicising our games. Special Thanks to David Watson, Fearghal O'Connor and all the mentors who have been a great help to me over the last year. The website has come on leaps and bounds and has worked very well this year, and is a very important publicity tool for the club.

Finally, I wish to thank all the hard working club members who have helped and supported me in any way over the past year, it was and very much appreciated.

Fergal Lynch PRO Skerries Harps.

Thanks

A special thanks to everybody at all levels who play and work in whatever capacity on behalf of this club. Everyone knows that it takes a massive effort from all concerned to run the club. I would like to pay tribute to John Halpin and Andy Geraghty who have served the club as Registrar and Vice Chairman in recent years. Thanks also to fellow members of Executive for their efforts and commitment during the year. A special mention for Ger Dillon who almost singlehandedly is managing the Adult Games administrative effort within the club as well as managing the Junior Football team.

Bereavements

To all Club Members friends and colleagues who have lost loved ones during the past 12 months we extend our deepest sympathies.

Motions and Recommendations

Motion 1 - Annual Rates of Subscription

Proposed by : David Watson

Seconded by : Niall Murphy, Chairman,

The Annual Subscription for members in 2014 will be -

Adult Full Member	€70	increase of	€10
Child	€50	increase of	€10
Family Membership	€140	increase of	€20

Recommendation from Denis Murphy

Recommendation 1;

1. That this AGM re-affirms the status of Skerries Harps as a GAA club that caters for football, ladies football, hurling and Camogie.

Recommendation 2;

2. That the incoming Executive draw up principles to guide both the adult and juvenile games committees in implementing the club policy of facilitating the playing of all codes. These principles are to be established at the January Executive meeting.

Recommendation 3;

3. That both the Adult and Juvenile games committees meet with all mentors before the end of January to agree specific guidelines for the year regarding the implementation of the principles as set down by the Executive.

Recommendation from Paul Wilde

That when players reach the U14 age group they are tested for Sudden Adult Death Syndrome (SADS).

Recommendation from Michael Fanning

That the Juvenile section receives a set allocation of All Ireland tickets for Football and Hurling so they can be distributed fairly to it's mentors and helpers.
